

Job Title: Business Analyst

About Sahel Consulting Agriculture and Nutrition Limited (SCANL)

Sahel Consulting Agriculture & Nutrition Limited (SCANL) is a leading management consulting firm focused on the agricultural and nutrition sectors in Africa. We partner with government agencies, private sector companies and leading international development organizations to conduct research, analyze policies, develop strategies and implement programs that promote sustainable food security and improved nutrition. We have worked on a variety of projects across West Africa, including in Benin, Burkina Faso, Ghana, Mali, Nigeria, and Senegal.

Sahel provides a wide array of services including: Value Chain Analysis, Policy Analysis, Market Entry / Strategy Consulting, Agribusiness Training and Project Implementation.

Overview: The Business Analyst position is for junior practitioners with a passion for agriculture, interested in getting being exposed to a variety of projects in the sector. Business Analysts have the opportunity to work with clients across the public, private and social sector and across multiple value chains to make a tangible impact to the agriculture and nutrition sector in Africa.

Job Description: In this role, you will be required to fulfill the following primary responsibilities:

- Conduct market, industry and company research related to proposals and projects for Sahel Capital's clients.
- Perform quantitative and qualitative analysis with data gathered during the course of the project.
- Prepare PowerPoint and Word reports summarizing research and analyses and developing recommendations for the client.
- Create complete bibliography and contacts list of all sources of research information.
- Support Sahel Capital with work required to deliver a high quality final report to its client(s).
- Work independently, but as part of a broader team of Sahel Consulting consultants.
- Support senior management on other Sahel Consulting initiatives as requested

Minimum Qualifications & Requirements: We are looking for candidates with a passion for agriculture that are driven, and self-starters. Below are key qualifications we are looking for:

- Bachelors or master's in agriculture, Business, Economics or related discipline
- High-quality analytical and problem-solving skills
- Exceptional interpersonal and communication skills (both written and verbal)
- Willingness to travel (required)
- Ability to speak Hausa is an added advantage

Position based: Abuja, with occasional travels across Nigeria

Method of Application: Qualified and interested applicants should forward their CVs to recruiting@sahelcp.com with *Business Analyst* as the subject of the mail. Only shortlisted candidates will be contacted.
