

## Seed System Advisor (Analyst)

Sahel Consulting Agriculture and Nutrition Ltd (Sahel) is a leading management consulting firm focused on the agricultural and nutrition sectors in Africa. We partner with government agencies, private sector companies and leading international development organizations to conduct research, analyze policies, develop strategies, and implement programs that promote sustainable food security and improved nutrition. We have worked on a variety of projects across West Africa, including in Benin, Burkina Faso, Ghana, Mali, Nigeria, and Senegal.

**Job Title:** Seed System Advisor  
**Job Type:** Full Time  
**Reports to** Programme Manager  
**Location:** Abuja  
**Closing Date:** Open until filled

The objective of this position is to provide support to the programme manager for the Collaborative Seed Project (CSP). The objective of the CSP is to strengthen the seed sector in developing countries and emerging markets to increase crop productivity, thereby enhancing farmers' income and improving access to safe and healthy food.

### Duties and Responsibilities:

The duties and responsibilities of the Seed System Advisor are as follows:

- Collect, format, and analyze data to support the implementation of the collaborative programme that will contribute to the CSP
- Assist in the planning, development, and implementation of the NNSP Strategic Innovation Pathways
- Assist in defining and recommending effective strategies for the CSP
- Assist in monitoring and evaluating the progress of the program
- Development of Word and PowerPoint reports on the activities of the program
- Effectively liaise and serve as a Point of Contact for stakeholders or partners of the CSP
- Provide support to the programme manager as requested

### Educational Qualifications:

- Bachelor of Science in Accounting, Business Management, Finance, Economics or Agriculture related course of study
- Minimum of 2 years work experience in a business analyst or agriculture related role

### Skills

- Exceptional Analytical and problem-solving skills
- Ability to work under pressure, plan personal workload effectively and delegate
- Proficiency in Microsoft Office suite, including Word, Excel, PowerPoint, and Outlook.
- Exceptional interpersonal and communication skills (both written and verbal)
- Proven management and organizational skills
- Detail-oriented with high level of accuracy

**Position based:** Abuja with occasional travels across Nigeria

**Method of Application:** Qualified and interested applicants should forward their CVs to [recruiting@sahelcp.com](mailto:recruiting@sahelcp.com) with **Seed System Advisor** as the subject of the mail. Due to a high volume of applicants, please understand that we are able to contact only those who meet the minimum qualifications.

***Sahel is an Equal Opportunity Employer.***
